Special thanks to: My parents and relatives (for moral and financial support), Pitigoi Vlad for helping me with the virus database and the site, Dragu Cosmin, Nicola Cristian, Nicolicea Constantin, Sechesan Dorian, Cerveneak Bogdan (For Beta-Testing), and everyone else that helped me in the development of Micron Antivirus.

and...

I hope you enjoyed this antivirus software, hoped it protected you, and that you'll also test our future releases of security software. For developers: we can't wait to meet you and talk about how we can improve the IT&C Security, which is a pretty nice and diverse domain. Don't forget if you want be a developer for Micron Antivirus and for other security software we'll develop in the future send us an e-mail at vds_developers@yahoo.com in which you tell us why do you want to "join the club" and also what programming languages you now. We are not yet a company, we're just a club of passionate software writers. We take no responsibility for any damage that our software has caused you both hardware or software. We would also appreciate any comment on what you liked or disliked about our software so that we can improve it and make it better. I now you probably expected a lot from this antivirus software and I hope you weren't disappointed, but please remember that this is only version 1.0. For updates and patches visit our website www.vds.3x.ro. Thank you for your interest in our software.

See you soon,
Cornianu Bogdan-Iancu
